THE RULES TO RIDE

The best way to schedule Tulane TapRide transportation is to use the TapRide desktop, web and mobile app – or call 504.314.7233.

- A Tulane Splash Card ID or a Loyola Express Card ID must be presented by faculty, staff and students only to the TapRide driver to board the vehicle.
- Vendors/contractors are not permitted on TapRide vehicles.
- Tulane TapRide only accepts transportation requests during TapRide operating hours:
 - 6:00 PM - 3:00 AM Monday - Sunday (Tulane University Holidays Excluded)
- Call-ahead TapRide transportation requests are not accepted.
- A TapRide transportation request may be rerouted to one of the Shuttles & Transportation fixed shuttle lines at the discretion of Shuttles & Transportation.
- Once the TapRide vehicle notifies you of its arrival at your requested pick up location, you have 2 minutes to board the TapRide vehicle. Wait inside your location. You will be notified by the driver when they are there to pick you up.
- If for any reason you cannot make your scheduled pickup, please cancel via the TapRide mobile app or call us at 504.314.7233.
- The TapRide service only picks up/drops off at valid residential addresses within the uptown TapRide and the designated campus service locations.
- Flagging down a TapRide driver to initiate transportation is against university policy.
- Transportation is not provided to business/commercial establishments.

BE NICE OR ZONE OUT

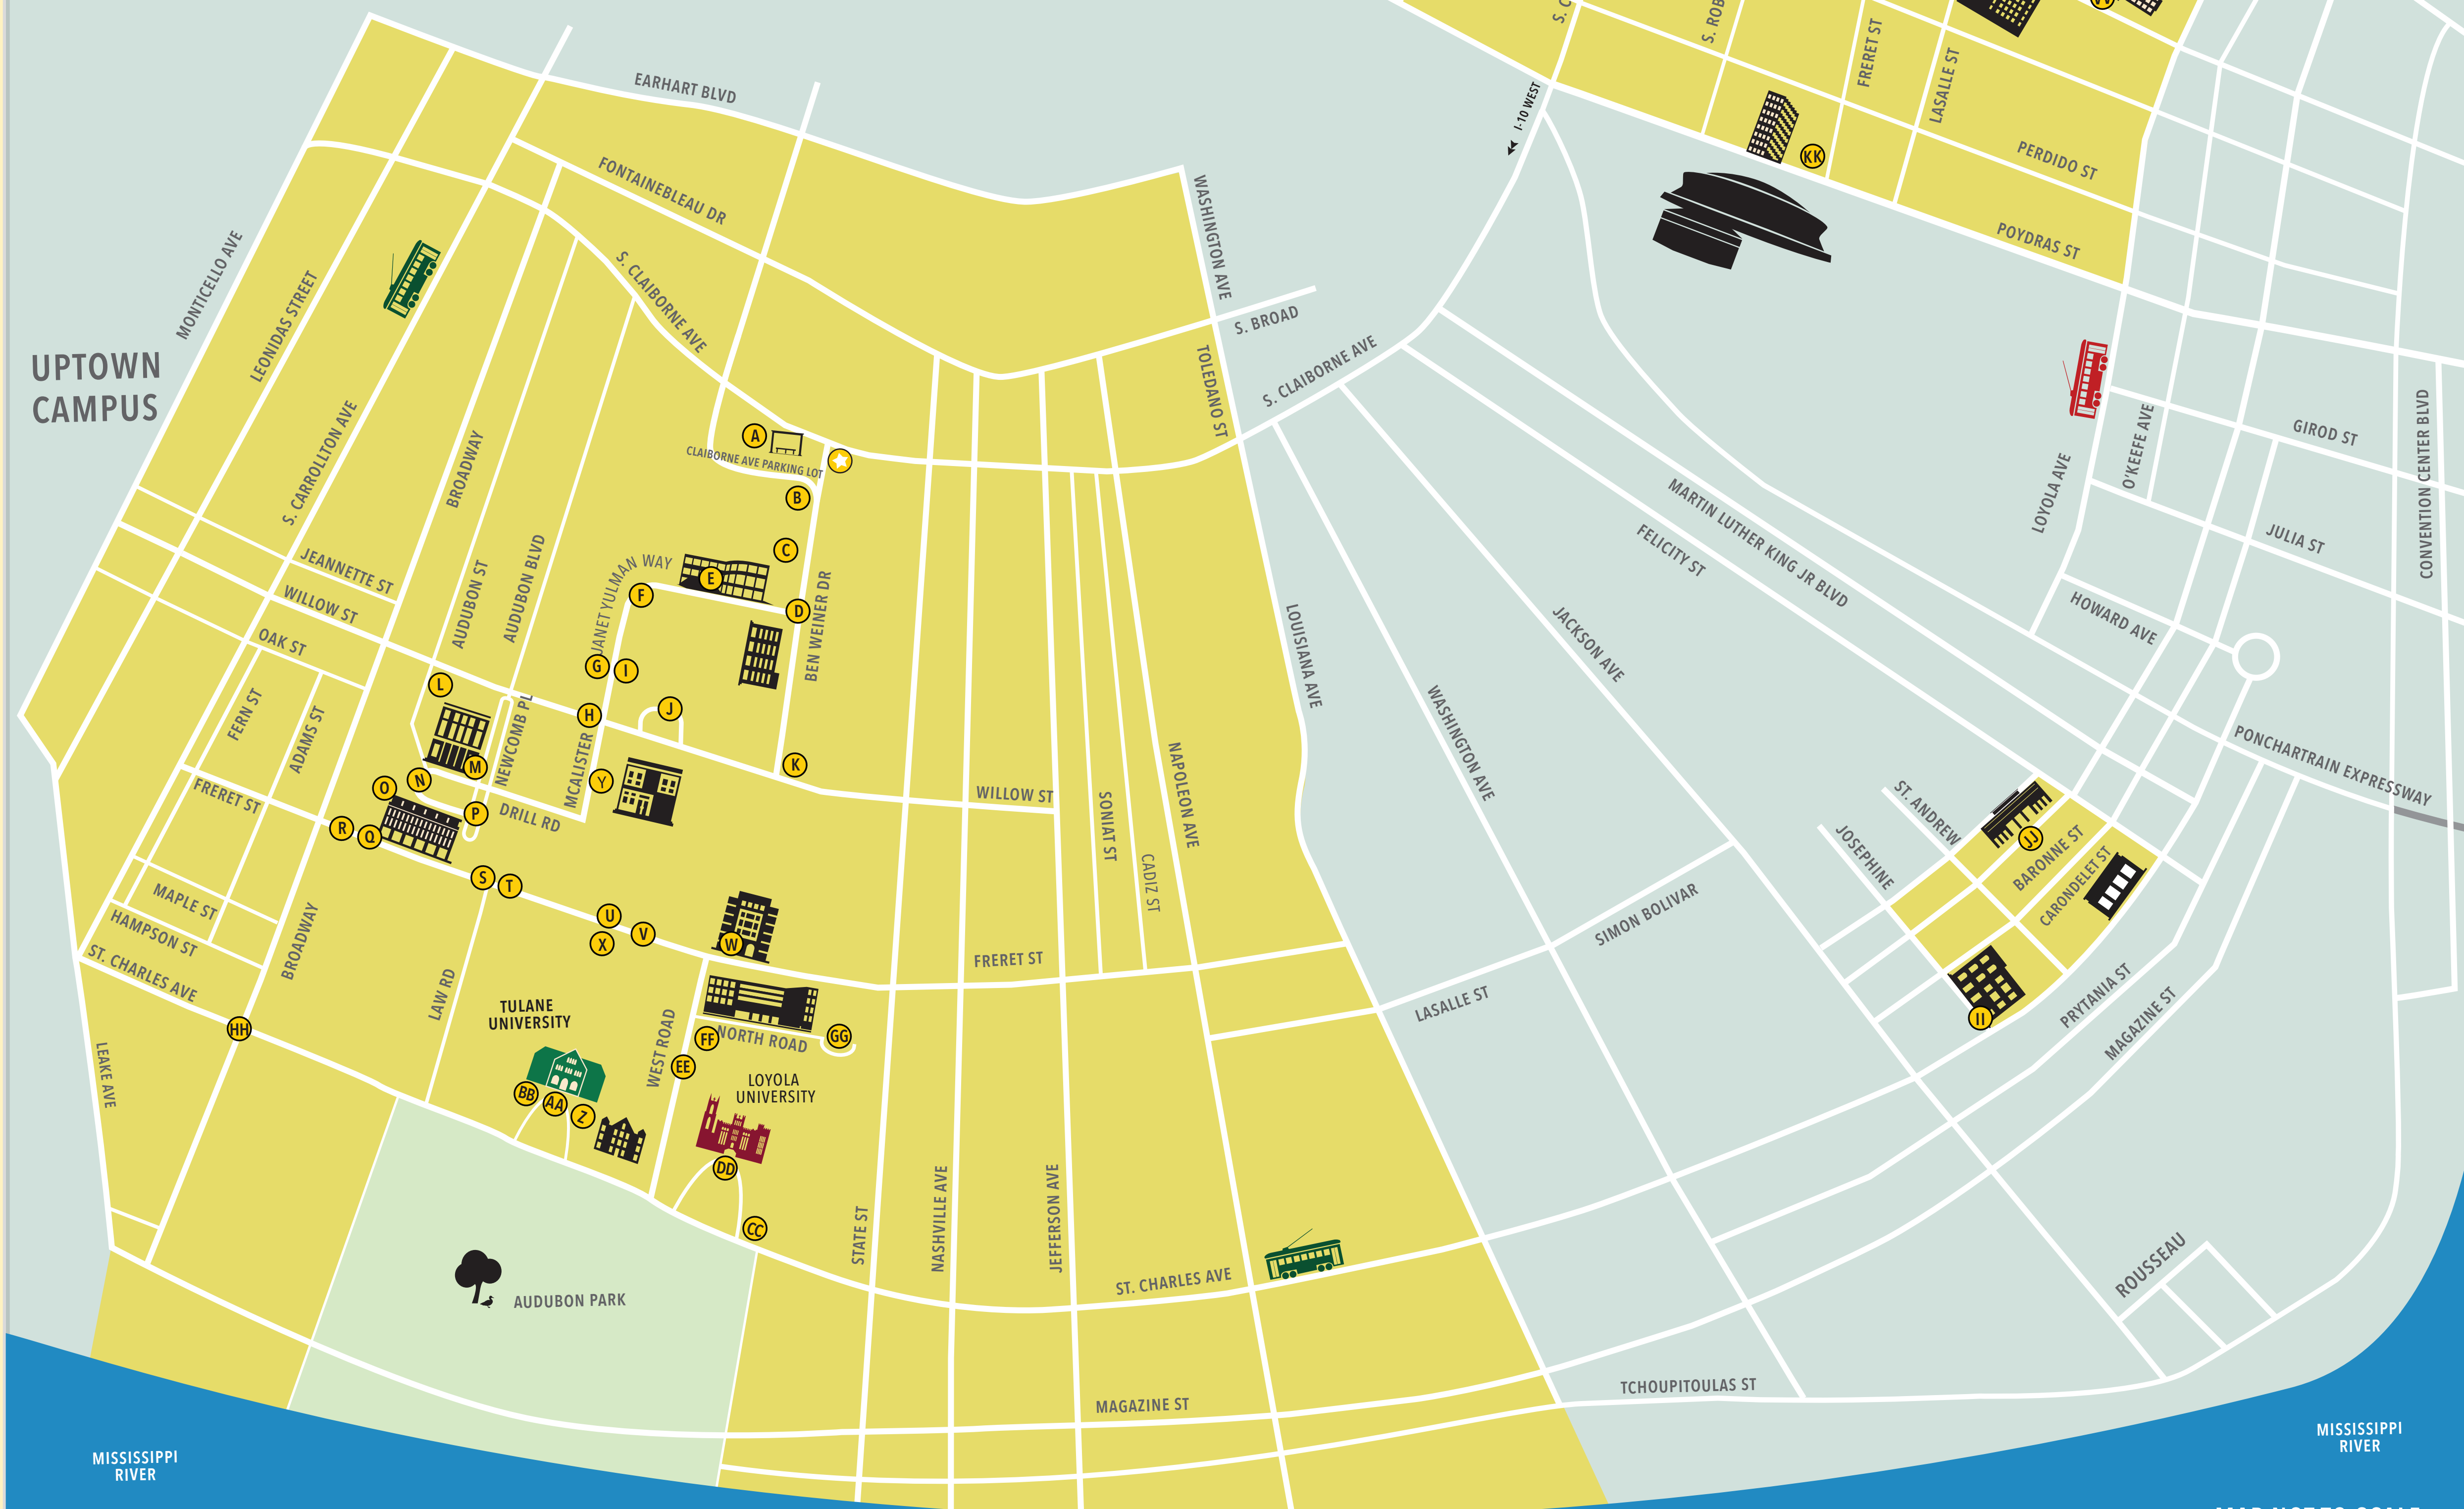

- Shuttles and Transportation reserves the right to refuse service in situations that place our drivers or other passengers at risk. This may include intoxicated, disorderly or abusive passengers.
- Please be respectful to the driver, other passengers and the vehicle at all times. No foul language.
- Clean up after yourself. Do not leave any garbage in the vehicle and make sure you have all your possessions before exiting, especially your keys and cell phone.
- No open containers or open food allowed. Food and drink must be in a sealed container and bagged for the duration of the ride.
