#### TAKE A STAND AGAINST CRIME

1. BE AWARE of your surroundings at all times and the people around you.
2. REPORT suspicious activity immediately.
3. Trust your instincts. If you feel unsafe and are able to do so, get to a safe place and call for help.
4. Make sure you have clear, affirmative consent before engaging in sexual activity. The absence of the word "no" does not constitute consent.

**If you have experienced sexual misconduct or think you have experienced it**, help is available. It is not your fault, and there are resources on campus and in the community to provide support and help you heal. Help is available at Tulane, whether a survivor wants to report an incident to the police, the university, a confidential resource, or just wants to talk to someone.
